

QUORUM OF TWELVE APOSTLES

Dear Children of The Church of Jesus Christ,

The Apostles of The Church of Jesus Christ greet you in the love of God and His son, Jesus Christ. We are writing this letter to let you know that we love you very much and want the very best for you. As our “children,” the children of the Church, we have a special desire to see that you will be successful in every part of your life. One of those special areas is having a close relationship with God and The Church of Jesus Christ.

You probably realize that He created us to live on the Earth and enjoy life with our families and friends. He also wants you to show Him your appreciation by serving Him throughout your life.

To do that we believe that you will need to do several things:

- Believe in God and His son, Jesus Christ
- Attend Church services (Sunday School, Sunday service, MBA meetings and Campouts, Church activities, etc.)
- Read the Bible and Book of Mormon - learning the stories and understanding the scriptures
- Know that God has given us everything
- Obey your parents
- Be thankful to God
- Pray to God to feel His Spirit
- Desire to be baptized one day
- Always ask God to guide you in doing the right thing
- Don't be influenced by other children and friends to do the wrong thing
- Develop a close relationship with the brothers and sisters of the Church
- Spend time with your Church friends
- When you become ill or have problems, ask the ministry to pray for you
- Be thoughtful of others when they are in need

We believe that this is a good start to being a very successful person in school and in life. You will enjoy many blessings in your family and with your friends. Your participation in the Church will bring all of us great joy, love, and spiritual satisfaction.

May the Lord richly bless you.

Love in Christ,

The Quorum of Twelve Apostles
